Aquarino x Dolphin

Aquarino and Dolphin merged in 2021, promoting the group to become the largest manufacturer of fiberglass pools in Canada. Our experienced staff members proudly manufacture our pools to meet the demands of our northern climate, ensuring quality checks throughout all stages of the manufacturing process to comply with industry standards. Our joint mission entails continuous innovation efforts in response to the constant evolution of market trends and installer feedback.

“THE LARGEST MANUFACTURER
OF FIBERGLASS POOLS
IN CANADA”

The Rinox Group is a collection of divisions aimed at beautifying outdoor spaces, including: Rinox – concrete products manufacturer for 25 years, Rialux – aluminum siding manufacturer, Aquarino, and Dolphin – fiberglass pool manufacturers. We offer a one-stop shop for homeowners searching for high-end building materials to fulfill unique and timeless designs that will transform your dreams into reality.

DIVISIONS OF THE RINOX GROUP

AQUARINO collection

The Aquarino Collection was developed for modern-day, urban yards, adapting to a market reality that has led to an increase in restricted backyard spaces. The arrival of our smaller dimension pools provides a great solution, allowing homeowners the ability to maximize their outdoor space whilst maintaining important backyard elements that allow for entertainment, dining, and greenery. Our sleek and modern designs were created to fit perfectly with the dimensions of the Rinnox landscaping collection to provide a complete, elegant, and zen backyard oasis look.

Be colorful

Exclusive to Aquarino, our Aqua Radiance color technology creates colors of unmatched durability. After much research and development, we have successfully improved the process of making and applying the gel and color to fiberglass. In addition to being extremely durable, our pool colors stand out for their sparkling effect when the sun's rays pass through the water. We are committed to making the most vibrant colors on the market, to best suit our climate and severe weather conditions.
