Highbury Pools!**

Highbury Pools

Feel the Love

At Highbury Pools,

we believe in delivering the

WOW! factor.

When we say *Feel the love*, it's not just another feel-good catch phrase. We really mean it, and the only way to really get the point across is to boldly make it a part of everything we do.

Feel the love means you go all out for someone, just to see them smile. That twinkle in their eye is like a warm blanket of security, knowing they have your back. And no matter what kind of mood you're in, they can always make you laugh. Those are the kinds of relationships we aim to help build, and that is why we strive to stand above the rest. Where others promise, we deliver, with revolutionizing products, backed by a lifetime warranty.

INVISseal – Now celebrating 15 years of creating the perfect balance between elegance and strength. Proven to be over twice as strong as traditional welding methods, INVISseal nearly eliminates the visibility of weld lines, while maximizing strength.

PicSURE Measuring –

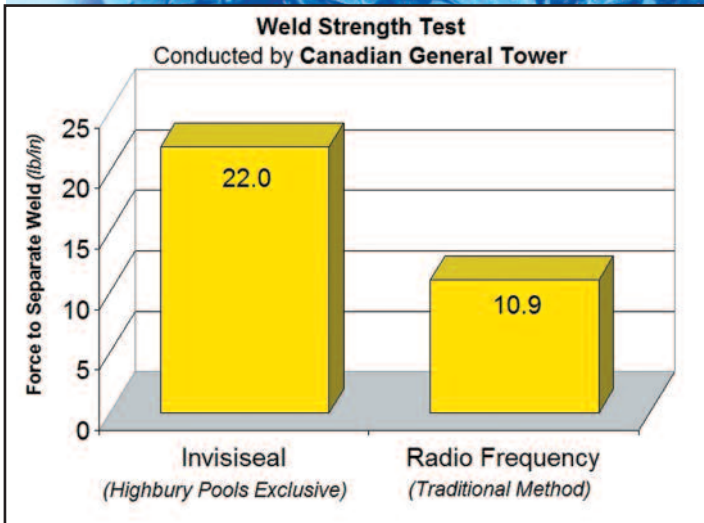

Our most efficient, ground-breaking measuring system generates an accurate 3D model of your pool for PicSURE perfect liners. Ask your dealer how!

***Thank you
for choosing
Highbury Pools!***

Packaged in each liner carton are "No Diving" labels; a warranty card; and a weather resistant sign to be posted near your pool. "No Diving" signage must be installed on the coping around the perimeter of your pool. "Caution" signage must also be affixed to the steps. **KEEP YOUR EYE ON THE CHILDREN.** Continually supervise the swimmers in your pool. **USE THE SAFETY ROPE.** The safety rope and floats should be attached at all times. Any use of diving boards, diving equipment or slides must be in strict compliance with the equipment manufacturer's specifications, the Association of Pool and Spa Professionals standards, and local building codes and regulations. We recommend removal of such items that do not comply. Consult your dealer for sizes and specifications. Liner patterns and colour depicted in this brochure are representative of the actual liner material; however, variations in colour and shading may occur.
